TERMS OF SALE

Nurserystock is offered subject to prior sale, no warranty expressed or implied. We exercise great care to keep varieties true to name and will replace, upon proper proof, any nurserystock that may prove otherwise, or to refund the amount paid, but it is mutually agreed that we shall at no time be liable for any amount greater than that paid for the nurserystock in question.

TERMS ARE NET, no further discounts are allowed.

CREDIT

is extended to those firms who have established credit with us. These accounts are due in 30 days from date of invoice.

Should you wish to establish credit with us, please supply two or three references...preferably in the trade ...and allow at least seven to ten days for processing.

TRUCKING

We are in a position to service the Milwaukee Area, and other points within a radius of 150 miles, with our trucks.

Write us for rates on this service.

PACKING CHARGES

Evergreen Liners

No packing charges.

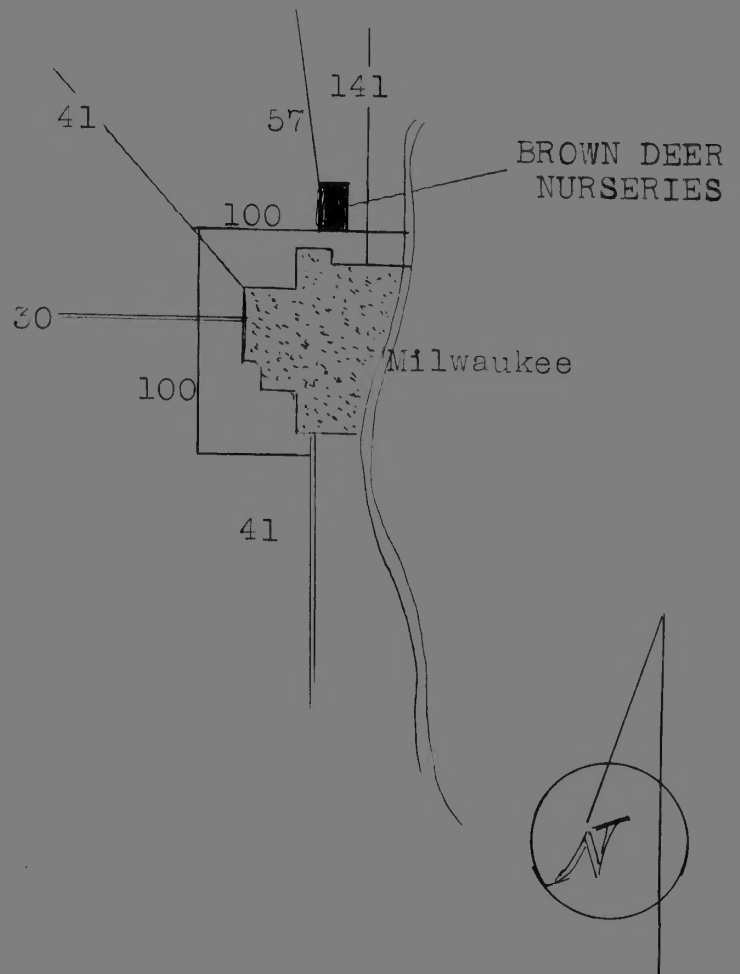

Bare Root Stock

Packing is at cost.

B&B Stock

No charges for loading bulk cars or trucks.

On shipments via commercial truck lines.....On these orders our trucks must travel into the congested central & south sides of Milwaukee (a distance of from 12 to 18 miles) to make connections with the carriers. Due to the high expense of making these connections, we cannot accept orders for less than \$100.00. Each B&B item will be placed in a bushel basket and securely tied at a cost of \$.60 per unit.

HOW WE GRADE

We follow the standard as set forth by the American Association of Nurserymen.

However, some nurseries have been using a single grade system such as, 15", 18", 24", etc.

Where we list a 15-18" grade, you may be assured of top size...that is, 18". 18-24" will grade 24".

LATH HOUSE STORAGE

We have been especially pleased with the results of storage in this area.

It is used primarily for healing in of all B&B Evergreens which are kept on hand during the busy shipping seasons.

All B&B stock, both Evergreens and Deciduous, is immediately placed inside this Lath House as soon as it is dug from the fields. This type of operation assures our customers of stock in first class condition at all times.

POTTED ROSES

Our success in supplying our many customers with Potted Roses is truly an amazing one. We purchase only the No. 1 grade from one of the best grower's in California.

Careful shipping, storage, and potting assure top quality that will command a good retail selling price by you.

POTTED NURSERY STOCK

As the photo below indicates, we pot up quantities of Shade Trees, Fruit Trees, Flowering Shrubs, Boston Ivy and that always popular seller Clematis.

This stock is leafed out and available for shipment in the spring of each year starting May 1st.

SHADE TREES

We are growing all of the better varieties of Honeylocust, Maples, Flowering Grabs, etc. All stock is well spaced, transplanted, and dug by our tractors with an extra large root system.

SPREADING YEW

HICKS YEW

A typical view of evergreens as we grow them at Brown Deer. Both of these varieties are available in quantity and are priced to sell.

FLOWERING SHRUBS

We grow a wide assortment of shrubs in both the old, as well as the newer and unusual varieties. Our cold storage sheds permit us to keep these plants dormant longer in the spring season and are always available for immediate shipment or pick-up.

MINIATURE ROSES

ANOTHER NEW ITEM

FOR OUR CUSTOMERS

YOU have heard about them... you
have had requests for them... and
now you can have these unusual
plants to stimulate your sales
this spring.

They are truly miniature in size,
have a mature height of about 8 to
10"... and are just as hardy as
their "big brothers and sisters".
They should be handled in the same
manner as regards winter care,
spraying, fertilizing, and the like.

ORDER FROM THIS SELECTION OF QUALITY PLANTS

They will be well established in 4 X 4" Keiding Pots
and ready for immediate Resale.
